An Invitation

is extended all Shorthorn breeders to attend this Seventh Annual Sale of the Idaho Shorthorn Breeders' Association.

Included in our February 28th sale are several outstanding herd bull prospects and a good number of coming two-year-old range bulls. Some females sell including both open heifers and those carrying the service of top Idaho and Montana sires. Some heifers with calf at foot.

The breeders consigning to this sale are "down to earth" beef men who produce the kind of bulls and females that can go out for their new owners the day after the sale and do a creditable job. Here are honest cattle of the best, popular Shorthorn Breeding. We invite you to look them over.

SHOW—February 27, 1 p. m., E. F. Rinehart, Judge

SALE—February 28, 1 p. m., C. R. Thomas, Auctioneer

Both the show and sale will be held at the Idaho Livestock Auction Company yards at Idaho Falls, Idaho. The cattle will be available for your inspection.

GUARANTEE APPROVED BY
AMERICAN SHORTHORN BREEDERS' ASSOCIATION

1. Proper care must be given by purchaser to protect breeding qualities and health of guaranteed animals.

2. All bulls sold as separate lots are guaranteed breeders, provided they are not allowed to serve when under 14 months of age or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.

3. Cows with own calves under four months of age by side are considered proven breeders. All other cows and heifers are guaranteed breeders, except that calves sold by side of the dam as one lot and heifers under 16 months of age shall not be served by a heavy or old bull. Cows and heifers bred for more than three months, according to the service date furnished at the time of sale, but not proving in calf, must be reported to the seller within three months after date of sale; all others served within three months prior to the date of sale, not settled or proving to be in calf must be reported within six months. Females over 16 months of age sold open, not settling within six months after date of sale, shall be promptly reported to seller.

4. Any animal not proving up to the foregoing guarantee shall be replaced with another of equal value at the time of purchase to the satisfaction of the purchaser but the seller may, if he desires, have the animal returned for a retrial period not exceeding six months. The expense of freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt, it shall be returned to the purchaser at his expense. In case the animal proves to be not a breeder, the purchaser shall be given the option of having the purchase price refunded without protest, or of accepting a substitute as stipulated above. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply upon any animal later substituted.

5. All animals are sold subject to a 60-day retest for tuberculosis, or to comply with the laws of the State or County into which they may be shipped. Animals shall be segregated from the buyer's herd until the retest is made, except the herd be a Federal Accredited one. All tests for tuberculosis, either test before sale or retest, shall be made by a Federal or State Veterinarian deputized by the State Veterinarian, who is co-operating with Federal Veterinarian and qualified to do accredited herd testing. Purchase price to be promptly refunded upon proof or reaction, except the purchaser shall agree to accept a substitute. Blood tests will be made when it is required by the destination State or County.

6. Certificates of registry and transfer will be furnished with each lot sold. Shipment will be made as soon as possible after the close of the sale and without trouble to the purchaser, but at his risk of loss or injury after bid off.

7. TERMS: Cash. All settlements to be made with the representatives of the Idaho Shorthorn Breeders' Association immediately after the close of the sale, but it shall be expressly understood that said Association assumes no liability, legal or otherwise, and that the above guarantee and terms shall constitute a contract between the consignor and purchaser of each lot.

8. Sale Manager Thomas and the officers of the Idaho Shorthorn Association assume no responsibility for liability incurred in this show or sale. While every precaution will be taken for buyers' and spectators' safety, the sale manager and directors can assume no responsibility.

9. SHIPPING ARRANGEMENT: It is the obligation of the consignors and this Association to see that all cattle are properly loaded on cars or trucks as directed by the buyers for immediate shipment. Cattle will be at buyer's risk as soon as bids are off but every precaution will be taken to see that the animals arrive in sound and healthy condition. BE SURE TO LEAVE DEFINITE INSTRUCTIONS WITH THE SALE CLERK.
